

DUAL BS WITH A MAJOR IN BUSINESS AND MASTER OF HUMAN RESOURCE MANAGEMENT

The School of Business offers a dual bachelor of science with a major in business and master of human resource management degree program. The combined program allows students to take 9 graduate credits as part of their undergraduate degree, thereby decreasing the number of credits normally required for the master's. All requirements for both degrees must be fulfilled. Students interested in the dual degree program should confer with the graduate advisor.

Visit the program website for additional information.
