

DUAL BACHELOR OF SCIENCE WITH A MAJOR IN INTERNATIONAL AFFAIRS AND MASTER IN MANAGEMENT

The Elliott School for International Affairs and GW School of Business offer a dual bachelor of science in international affairs (<http://bulletin.gwu.edu/international-affairs/undergraduate-programs/bs-international-affairs/>) and master in management (<http://bulletin.gwu.edu/business/ms-management/>) degree program. The combined program allows students to take 9 graduate credits as part of their undergraduate program, thereby decreasing the number of credits normally required for the master's degree. All requirements for both degrees must be fulfilled.

Visit the ESIA (<https://elliott.gwu.edu/>) and GWSB (<https://business.gwu.edu/>) websites for additional information.
