

DUAL BACHELOR OF SCIENCE HEALTH SCIENCES WITH A MAJOR IN CLINICAL RESEARCH ADMINISTRATION/MASTER OF SCIENCE IN HEALTH SCIENCES IN THE FIELD OF REGULATORY AFFAIRS AND CLINICAL RESEARCH LEADERSHIP

The School of Medicine and Health Sciences offers a dual bachelor of science in health sciences with a major in clinical research administration (<http://bulletin.gwu.edu/medicine-health-sciences/undergraduate-programs/bshs-clinical-research-administration/>) and master of science in health sciences in regulatory affairs and clinical research leadership (<http://bulletin.gwu.edu/medicine-health-sciences/graduate-programs/ms-regulatory-affairs-and-clinical-research-leadership/>) degree program. The dual program allows students to take 9 graduate credits as part of their undergraduate program, thereby decreasing the number of credits normally required for the master's degree. Applicants must have a GPA of 3.3 or above on a 4.0 scale for all previous college-level coursework. All requirements for both degrees must be fulfilled.

Shared credits: 9

One undergraduate elective is waived for each of the following graduate courses taken during the undergraduate program:

Code	Title	Credits
COHM 6235	Leadership Development in Healthcare Systems	
RCR 6201	Introduction to Global Regulatory Affairs and Clinical Research	
RCR 6202	Regulatory Strategy in the Development of Therapeutics
