

DUAL BACHELOR OF SCIENCE IN HEALTH SCIENCES WITH A MAJOR IN MEDICAL LABORATORY SCIENCES AND MASTER OF SCIENCE IN HEALTH SCIENCES IN THE FIELD OF MOLECULAR DIAGNOSTIC SCIENCES

The School of Medicine and Health Sciences offers a dual bachelor of science in health sciences with a major in medical laboratory sciences (<http://bulletin.gwu.edu/medicine-health-sciences/undergraduate-programs/bshs-medical-laboratory-science/>) and master of science in health sciences in the field molecular diagnostic sciences (<http://bulletin.gwu.edu/medicine-health-sciences/graduate-programs/ms-molecular-diagnostics/>) degree program. The program allows students to take 9 graduate credits as part of their undergraduate program, thereby decreasing the number of credits normally required for the master's degree. All requirements for both degrees must be fulfilled.

Shared credits: 9

MSHS courses taken during the BSHS program, and corresponding BSHS courses waived:

Code	Title	Credits
MLS 6141	Advanced Immunology and Serology	
MLS 4141 is waived.		
MLS 6158	Advanced Laboratory Management and Operations	
MLS 4158 is waived.		
MLS 6217	Medical Biotechnology	
MLS 4151 is waived.		

Visit the program website (<https://healthsciencesprograms.gwu.edu/biomedical-laboratory-sciences/>) for additional information.
