

BACHELOR OF SCIENCE WITH A MAJOR IN EXERCISE SCIENCE, PRE-MEDICAL PROFESSIONAL CONCENTRATION

Program Director: M. Barberio

The bachelor of science in exercise science, pre-medical professional concentration program offers students the chance to acquire knowledge and skills in the scientific basis of the benefits of regular physical activity and proper nutrition to health and wellness. The pre-medical professional program trains students in the science and practice of exercise, physical activity, and health in the greater context of public health by developing critical thinking skills and fostering life-long learning.

Visit the program website (<https://publichealth.gwu.edu/programs/exercise-science-bs/>) for additional information.

ADMISSIONS

Information on the admission process is available on the Office of Undergraduate Admissions website (<https://undergraduate.admissions.gwu.edu/>). Applications may be submitted via the Common Application (<https://go.gwu.edu/commonapp/>).

Supporting documents not submitted online should be mailed to:

Office of Undergraduate Admissions
The George Washington University
800 21st Street NW, Suite 100
Washington, DC 20052

gwadm@gwu.edu or 202-994-6040

REQUIREMENTS

The following requirements must be fulfilled: 124 total credits, including 26 credits in University General Education Requirement courses, 39 credits in core exercise science courses, 31 credits in courses for the concentration, 10 credits in approved guided elective courses, and 18 credits in additional general electives.

Code	Title	Credits
------	-------	---------

University General Education Requirement

One course in critical thinking in the humanities.

Two courses in critical thinking, quantitative reasoning, or scientific reasoning in the social sciences. For exercise science and nutrition majors, must be satisfied with one of the following: ANTH 1002, ANTH 1003, or ANTH 1004.

One course that has an approved oral communication component, For exercise science and nutrition majors, must be satisfied with either COMM 1040 or COMM 1041.

One course in quantitative reasoning. For exercise science and nutrition majors, must be satisfied with one of the following: STAT 1051, STAT 1053, or STAT 1127.

One course in scientific reasoning with laboratory experience. For exercise science and nutrition majors, must be satisfied with BISC 1111.

UW 1020 University Writing

or HONR 1015 (Origins and Evolution of Modern Thought)

After successful completion of UW 1020 or HONR 1015, 6 credits distributed over at least two different Writing in the Disciplines (WID) courses taken in separate semesters (summer counts as one semester) are required. WID courses are designated by a "W" appended to the course number.

Approved courses can be found under University General Education Requirement (<http://bulletin.gwu.edu/university-regulations/general-education/>).

Code	Title	Credits
------	-------	---------

Required exercise science core courses

Students must maintain a minimum grade point average of 2.5 in the exercise science core requirements with a minimum grade of C- in each core course.

PUBH 1010 First-Year Experience in Public Health

EXNS 1103 Professional Foundations in Exercise Science

EXNS 1110 Applied Anatomy and Physiology I

EXNS 1111 Applied Anatomy and Physiology II

EXNS 2111 Exercise Physiology II

EXNS 2112 Exercise Physiology I

EXNS 2113 Kinesiology

EXNS 2116 Exercise and Health Psychology

EXNS 2119 Introduction to Nutrition Science

EXNS 3110 Field Experience in Exercise and Nutrition Sciences (2 credits)

EXNS 4110 Current Issues in Exercise Science

PUBH 1101 Introduction to Public Health and Health Services

PSYC 1001 General Psychology

ANTH 1002	Sociocultural Anthropology *
or ANTH 1003	Archaeology
or ANTH 1004	Language in Culture and Society

BISC 1111 Introductory Biology: Cells and Molecules *

COMM 1040	Public Communication *
or COMM 1041	Interpersonal Communication

STAT 1051 Introduction to Business and Economic Statistics *

or STAT 1053 Introduction to Statistics in Social Science

or STAT 1127 Statistics for the Biological Sciences

or PUBH 2142 Introduction to Biostatistics for Public Health

*The ANTH, BISC, COMM, and STAT courses meet General Education requirements; however, while required, they do not count toward the 39 credits in exercise science core courses. PUBH 2142 does not count toward the General Education requirement, but it does count as an exercise science core course.

Note: No more than 3 credits of Lifestyle, Sport, and Physical Activity (LSPA) courses may count toward the 124 credits required for the bachelor's degree.

**See list of preapproved guided electives [for the BS](#) with a major in exercise [science program](#).

Code	Title	Credits
------	-------	---------

Concentration requirements

31 credits in concentration-specific courses.

BISC 1112	Introductory Biology: The Biology of Organisms
-----------	------------------------------------------------

CHEM 1111	General Chemistry I
-----------	---------------------

CHEM 1112	General Chemistry II
-----------	----------------------

CHEM 2151	Organic Chemistry I
-----------	---------------------

CHEM 2152	Organic Chemistry II
-----------	----------------------

CHEM 2153	Organic Chemistry Laboratory I
-----------	--------------------------------

CHEM 2154	Organic Chemistry Laboratory II
-----------	---------------------------------

MATH 1220	Calculus with Precalculus I (or higher)
-----------	-----------------------------------------

PHYS 1011	General Physics I
-----------	-------------------

PHYS 1012	General Physics II
-----------	--------------------

Electives

28 total credits in elective courses, including 10 credits in guided electives selected in consultation with the advisor and 18 credits in general elective courses. **
